These guidelines outline the rules and responsibilities governing your use of our services.

Warranty

Sensi Home LLC. warrants its products to the original consumer purchaser with a LIMITED WARRANTY for five years from the time of purchase. Should any of our products fail under normal use due to defects in material or workmanship within these five years, Sensi Home LLC will, at its discretion, repair or replace the defective part. This warranty does not cover products damaged due to accidents, misuse, improper handling, improper installation, improper cleaning, or extreme temperature or moisture levels. Additionally, a characteristic of wood is that it expands and contracts over time. This warranty does not cover these material variations and changes.

This warranty does not apply to any products used in conjunction with Sensi Home's products, such as countertops, appliances, or plumbing fixtures. Repair or replacement is subject to Sensi Home LLC's present product offering at that time. No dealer, agent, contractor, or installer may change or extend this warranty. In place of any other warranties, this warranty shall represent the entire liability of Sensi Home LLC. All styles, finishes, and specifications are subject to change without prior notice.
